Trained Leaders

Our Pack needs a new Treasurer.
Ask Pat for more details!

We have had a lot of activity over the past couple of months with our Pack Leadership team.

One of the challenges set forth by Council is to have at least 50% of our leaders trained for 2010. It appears that we are well on track for not only hitting that goal, but surpassing it.

Thank you to those leaders that have already completed their required training, as well as to those that are actively working on completing it.

Our currently trained leaders are:

Dawn Hensen - Committee Chair

Jennie Mensching - Pack Committee

Pat Klein - Cubmaster

Patty Klein - Assistant Cubmaster

Kathy Anderson - Den Leader

Tony Micheletto - Tiger Den Leader

Upcoming Events

11/22 Zoo Tree Trim

12/14 Pack Meeting

1/11 Pack Meeting

1/30 Winter Event

“The uniform makes for brotherhood, since when universally adopted it covers up all differences of class and country.”

Food Drive

Thank You to all of our Scouts and families that participated in the food drive last month. We had a pretty good collection this year and there will be many thankful families

in our community.

Our Pack has a strong commitment to service in our community. There will be other events planned for the future as well.

Happy Thanksgiving!

Den Ideas –December “Works of Art”

December is a time of celebration and giving. Involve friends in doing good deeds and creating holiday magic through art. Cub Scouts can create holiday decorations, gifts, and cards. Put their artwork on display in nursing homes, churches, schools, or homes, the packing meeting, or the chartered organization. As a Good Turn for America, make cards and ornaments to share with a local retirement community, children’s hospital, or community center. Boys can discover different forms of art, write poems, attend a musical or performance art show, or visit an art museum. Works of art can become gifts for family members. In conjunction with these projects, work on the Academics belt loop or pin in Art or Music.
